We held a brief call meeting at the 4-H Center, October 12th, to decide our Disciples Women's Local Spring Project for 2025. After brief discussions about several options for women with ministry needs in Virginia, Maryanne Farley was familiar with the Samaritan House. It was moved by Madelyn Logan and seconded by Flo Parcell to adopt the Samaritan House for the Virginia Disciples Cabinet's Spring Project 2025. It was decided unanimously to adopt the Samaritan House for our Local Spring Project 2025. Our Global Spring Project is Kenya for 2025. Maryanne agreed to contact the Samaritan House and get more information about what they do and their needs.

The meeting was adjourned.
